Chris Brown
6267 Castille Court
Orleans, Ontario
K1C 1X4

Dear Chris,

Thank you for sending me a copy of the letter to the Honourable Charles Caccia, M.P. from the Honourable Perrin Beatty, Minister of Health and Welfare concerning the effects of environmental degradation on health.

The issue of environmental hypersensitivity is only now beginning to be understood.

As Associate Critic for Environment for the Liberal Opposition, I am especially pleased to have the information you have provided.

Yours sincerely,

Marlene
